\* Please contact Catherine Heathcote (01892 785577 or [catherineheathcote@btinternet.com](mailto:catherineheathcote@btinternet.com)) to book places on training days, to have a tailored training session or if help is needed with a quarter peal or a peal.

The usual District quarter peal week in October has been replaced in 2012 by the County quarter peal week in June to mark the Queen's Diamond Jubilee. The aim is to have a quarter rung in every ringable tower in Kent!
